SUNDAY 30th AUGUST

ADVENTURES FAQs

When will I receive my confirmation email?

For activities without an out-of-pocket cost, confirmation emails are sent once your RSVP is received. If there is an out-of-pocket cost, your confirmation email is sent after the invoice has been paid.

When will I get my pick-up information?

Pick-up details and any last-minute reminders are sent 24-48 hours before the activity.

Where will I be picked up and dropped off from?

Pick-ups and drop-offs will be from participant's home unless otherwise specified.

Can I join an activity after the RSVP date has passed?

No. RSVP deadlines are important so we can book tickets, plan transport and confirm scheduling.

Is there a waitlist if an activity is full?

Yes. We'll offer spots to people on the waitlist in order, if places open up.

Am I confirmed for an activity when I RSVP?

If the activity has no out-of-pocket cost, your spot is confirmed once your RSVP is received. If there is an out-of-pocket cost, your spot is not confirmed until your out-of-pocket cost has been paid.

Why is the price different to what's advertised on the website or event page?

Some venues don't accept Companion Cards. If the venue does not accept Companion Cards, the cost of the support workers' ticket is divided among all participants, which increase the out-of-pocket cost.

ADVENTURES FAQs

How is the cost worked out if Companion cards aren't accepted or I don't have one?

The total cost of the support workers' ticket is divided evenly between all participants attending the activity and added to each person's out-of-pocket cost.

What does the out-of-pocket cost cover?

This varies by activity. It usually covers the cost of tickets or entry, but sometimes it may also include food, snacks, or equipment.

When do I need to pay my out-of-pocket cost?

Payment must be made as soon as possible or by the due date listed on your invoice. Your spot is not confirmed until payment has been received.

How do I pay my out-of-pocket cost?

You'll receive an invoice from Freedom with payment details. Please pay by the due date listed.

What happens if an activity with an out-of-pocket cost is cancelled? Will I get a refund?

If the venue or ticket provider offers a refund, Freedom will reimburse what you paid. If the venue does not provide a refund, unfortunately, we cannot issue a refund.

What happens if I can't attend after I've paid?

We will endeavour to find you a replacement. In the event that we are not able to, please refer to our cancellation policy outlined in your service agreement.

ADVENTURES FAQs

What happens if the weather is bad for outdoor events?

We'll contact you if plans change. Refunds depend on the venue's policy.

Are meals included in the activity cost?

Check the activity details - some include meals, while others require you to buy your own.

Do I have to dress up for the themed group dinners?

No you don't have to - dressing up is optional! Wear whatever you're comfortable in and just come along and enjoy the night!

How will you contact me with updates?

By SMS and/or email. Please keep your contact details current.

How can I apply for a companion card?

Visit the Queensland Government Companion Card website for more information on how to apply. Reach out to us if you need assistance.
